Our Theological School is planning a celebration of the 500th year anniversary of the birth of the great church reformer, John Calvin. The Lord in His mercy and faithfulness has preserved in our denomination the glorious heritage of the truth which God restored to His church especially in the Calvinistic Reformation. This celebration will be held September 3 to 5, 2009, in the form of a conference. The First Byron Center Christian Reformed Church, has been reserved for this event. There will be a series of speeches on Calvin and the truth of the Word of God he so mightily preached and defended. We hope that people from all over our own denomination and also that others outside of our churches will join us for this celebration. Begin planning to join this event and encourage others to do so as well. More details will be published in the coming weeks.
