A warm welcome is extended to any who are visiting with us today. This morning we are privileged to celebrate the sacrament of the Lord's Supper. In obedience to the will of Christ that the Church supervises admission to the Lord's Table, only members of the congregation and those who have received permission from the Consistory are permitted to partake of the sacrament of the Lord's Supper. After the sacrament has been administered, please pass your wine cups to the end of the row where the ushers will collect them.

Mrs. Betty DeJong's health is steadily improving. It was determined that the result of her mini stroke was a weakening of her muscles. She has been transferred to the inpatient therapy section at Munster Community Hospital (Room 384, bed 2) where she will receive therapy to help her regain strength. She enjoys visitors. Let us continue to remember our sister in our prayers.
